

1.5 oz., 2 oz., 2.5 oz. Clear PET Portion Cup Lids

These PET clear lids are designed to fit a variety of portion cup sizes, offering a secure and transparent solution for portion control and food packaging. Whether you're covering sauces, dressings, or condiments, these lids provide a snug fit to corresponding portion cups, helping to prevent spills and maintain freshness. Their clear design allows for easy identification of contents, making them ideal for takeout, delivery, or meal prep. Perfect for restaurants, food trucks, and catering services, these lids provide a practical and efficient way to ensure clean and organized food presentation.
