

2 oz. Clear Polypropylene Portion Cups

ACR's polypropylene portion cups offer a versatile solution for serving condiments, sauces, and dressings. Available in a variety of sizes and colors, these portion cups are perfect for foodservice operations that need reliable, customizable options for takeout, delivery, or dine-in service. Made from durable, BPA-free polypropylene, they provide excellent resistance to both hot and cold temperatures, ensuring secure storage and easy transport. Ideal for precise portion control, these cups are a convenient and practical choice for restaurants, catering services, and meal prep. Their sturdy construction and variety of options make them essential for any foodservice setting.
