

EMERALD GREEN

CRÈME CLEANSER FOR PORCELAIN, TILE, ENAMEL, METAL

Description:

Cleans, deodorizes and bleaches leaving the surface with a smooth, soil repelling, mirror like sheen all in one operation.

For use in Hotels, Restaurants, Industrial Plants, Office Buildings, Schools, Shower Rooms, Institutions, Public Rest Rooms.

Product Benefits:

- Free rinsing / Does not leave any residue
- Mild abrasive action / Allows for additional scrubbing action but never scratches or dulls high shine surfaces
- High viscosity / Clings to vertical surfaces thus allowing the cleaning action to be effective where needed
- Excellent multiple use cleanser / May be effectively used on any hard surface including ceramic, porcelain and stone

Directions:

Apply to surface by inverting bottle and pressing sides. Spread with damp cloth or wetted squeezed out sponge. Clean surface thoroughly and wipe with damp clean cloth or sponge.

For badly soiled surfaces use a wet brush shaking out the excess water. Work brush over surface and all corners. Wipe with a damp cloth or sponge. If desired, polish surface with clean cloth. Cleans, deodorizes, polishes, brightens, and bleaches, leaving the surface with a smooth, soil repellant, mirror like sheen, all in one operation. For use in hotels, restaurants, industrial plants, office buildings,
