

### **PresentaBowls® Pro Square Bowls**

Dart's PresentaBowls® Pro bowl line offers incredible versatility for users with its wide array of sizes and ability to accommodate both hot and cold food applications. Made from polypropylene, the bowls resist cracking and breaking and are fully microwaveable. The upscale appearance and crystal-like design enhances the image of food applications.

## Features

**Lids available in recyclable PP or PET**  
Check locally, may not be recycled in your area

**Crystal-Like Design**  
Gives upscale, table-ready appearance

**Microwaveable**  
Polypropylene base when used with polypropylene lid makes container completely microwaveable

**Leak-Resistant Perimeter Seal**  
Keeps liquids in, reducing customer complaints

**Self-Aligning Offset Opening Tabs**  
Lid fits no matter what direction it's applied

**Stackability**  
Base fits snugly into recessed platform on lids for greater merchandising and stability
