WypAll® X70 Cloths

41100

Features & Benefits

If you've been using either laundered shop towels or textile shop rags, you can trust Wypall X70 reusable paper towels. WypAll X70 are heavy duty cloths, with high-tech HydroKnit fast-absorbing material. WypAll X70 premium industrial cloths are made of soft pulp fibers, bonded to a polypropylene base sheet for absorbency and tear resistance, making them suitable for removing dirt, oil, grime and solvents in a variety of industrial and manufacturing industries. Plus, they come in a convenient flat box (as an alternative to a box of rags) and are so sturdy that they can often be used more than once (once you've used them a few times, they're disposable). They are designed to clean surfaces and tools, making them a must-have for the HVAC, automotive, manufacturing and industrial industries. When you're running a business, it pays to use the very best supplies and WypAll fits the bill.

- WypAll X70 are durable, absorbent cloths that stay strong for cleaning performance
- Each industrial cloth measures 14.9" x 16.6" and cleans oil, dirt, grime and solvents
- The wicking power of HydroKnit picks up water almost instantly, and hangs on for fewer drips. Laundered shop rags can't match that kind of performance.
- Pound for pound, WYPALL X70 Manufactured Rags hold more oil than rental shop towels and shop rags; One pop-up box replaces 10 lbs. of rags

Product Details

Brand:	Wypall
Size:	14.9" x 16.6"
Color:	White
Style:	Flat Sheet
Put-Up:	1/300
Quantity/Unit:	300
Units/Case:	1
Quantity/Case:	300
Case Size:	15.625 X 17.375 X 6.625
