---

**Designed For**

- ▶ Healthcare
  - ▶ Education
  - ▶ Retail
  - ▶ BSC
  - ▶ Government
  - ▶ Lodging
- 

# Use Overview

**Shine-Up™ Lemon Furniture Polish** provides a beautiful luster that helps protect wood and other surfaces against ordinary wear. Its unique formulation of rich polishes resists smears, fingerprints, smudges and common oil-based marks. Formulated for use on today's commercial furniture because it resists smears and fingerprints.

- ▶ Hold container about 8 inches (20 cm) from surface to be waxed and spray a light mist on the surface.
- ▶ Wipe immediately with a soft, clean cloth.
- ▶ Do not allow spray to dry before wiping. No second cloth needed.
- ▶ Never use on floors and protect floors from overspray.
- ▶ The product ingredients could make a floor slippery.
- ▶ If oversprayed onto a floor, scrub the floor with detergent and dry thoroughly.
- ▶ On some small areas such as table legs, chrome trim, etc., it is not convenient to spray **Shine-Up™ Lemon Furniture Polish** directly onto the surface.
- ▶ In those cases, spray **Shine-Up™ Lemon Furniture Polish** onto a cloth and wipe the surface in a normal dusting action.

## Product Specifications

| Description                 | Aerosol                  |
