01890

### Features & Benefits

Your image is important, especially for your business. Providing top-quality Kleenex Multifold Paper Towels in your office washroom and kitchen lets your employees and guests know that you care enough to offer the very best experience. Each paper towel is 9.2 x 9.4 inches (unfolded) of soft, absorbent material, so users will use fewer paper towels and waste less. Their fold is designed to dispense one at a time, while bringing the next towel forward for another user. They're designed be used with universal multi-fold towel dispensers, giving you maintenance flexibility. These Kleenex tri fold paper towels meet EPA minimum standards, are FSC and Eco Logo certified and feature recyclable packaging, so you can choose confidently.

- Kleenex multi-fold towels are soft and highly absorbent for reduced waste
- These Kleenex paper towels are compatible with universal multi-fold towel dispensers (sold separately) and the fold is designed for one-at-a-time dispensing
- They meet EPA minimum standards
- These Kleenex towels are FSC and Eco Logo certified, and use an elemental chlorine-free (ECF) bleaching process
