Features & Benefits

Make wasted paper towels a thing of the past with premium Kleenex Premium Folded Paper Towels. Their unique fold is designed for true one-at-a-time dispensing, every time. They reduce tabbing, tearing and multiple dispensing, which results in less waste – always good for your business' bottom line. Plus, they unfold as they dispense, so your guests will know they're big enough to get the drying job done – with just one commercial paper towel. Kleenex Premium Folded Bulk Paper Towels feature superior Absorbency Pockets with fast-drying ridges for excellent absorbency and performance. These smartly designed paper towels fit with most universal folded towel dispensers. They are an excellent value, with a guarantee to be cost neutral (versus C-fold towels). Kleenex[®] Premium folded towels are a smart, first-class choice for your business!

- Premium Kleenex folded paper towels feature a patented fold that creates 2-ply thickness and eliminates tearing and tabbing, so your guests and employees will waste less
- The white paper disposable hand towels feature exclusive Absorbency Pockets for better absorbency
- Hygienic, touchless dispensing with most universal folded towel dispensers: only touch the drying towel you use; each towel measures 7.8" x 12.4" (unfolded)
- The Kleenex Brand guarantees these multifold paper towels will be cost-neutral (vs. C-fold towels)
